At the bottom, there are two options:

- On the left, click **Library** to search for ebooks or audiobooks.
- On the right, click **Shelf** to find your checked out books to read or listen to.
- To check out a book: Search at the top for a book where it says "Search for a book." Then tap the book, click **Borrow**, then click the red **Borrow**.
- To return a book: click **Shelf**, tap the orange square, **return early**, then click the red **return**.
