

Banned Book Cover Challenge

Begins September 1st - Ends September 25th

Challenge to patrons: recreate/redesign a Banned Book's cover.

Feel free to pick up a used book out of the library's book sale if you don't have a spare book at home to use in your challenge. A list of banned books can be found on the Salida Library's home page at salidalibrary.org.

Pick up an entry form at the library front desk; a completed form must accompany your Banned Book Cover Challenge when you drop it off.

Beginning September 26th, all Banned Book Cover Challenges will be displayed at the library and the community will vote on the best one, which will win a prize.
